**KIDS MAKE FAMILY DINNER AT GCFD KID'S CAFE**

CHICAGO –November 7, 2007 –Kids from the Corazon Community Services Center in Cicero will be helped by Purple Asparagus members to make dinner for their family on November 8, 2007 at 7:00 pm.

The center, a Greater Chicago Food Depository Kid's Cafe, has asked Purple Asparagus to create an event for kids and their families centered around good eating. Melissa Graham, chef/owner of Monogramme Events, and her team will work with the kids as they will learn how to be chefs, servers and hosts for their guests. Fifteen kids and their families have signed up to participate in the event.

“When we met yesterday to discuss the menu, the kids decided that they wanted to try Indian cuisine. We are very pleased to participate in this event as it is part of our mission to both de-mystify ethnic foods and encourage families to share meals at the table,” says Chef Graham.

Purple Asparagus is a 501(c)(3) non-profit organization dedicated to bringing families back to the table through good eating. Working with various organizations on events and programs that are centered on children and their families is our mission.
